## **Milan Police Department Incident and Activity Summary for January 2014**

*This is a summary of incidents that the police department responded to over the last week. It is meant to provide a review of the type and variety of issues occurring in the community that the PD handled. It does not reflect every incident responded to, as some may be too sensitive to list on a document of this nature, while others are still under investigation. All names of complainants, suspects, and witnesses, as well as residential addresses have been omitted to insure privacy. In some cases the street name has also been left off.*

### **General Notes and Definitions:**

- CFS is the Call for Service or police incident number of the given case.
- The next number in line is the military time an incident occurred or was reported.
- Property checks include activities such as checking buildings; they also include checking residences when citizens ask for additional attention due to being out of town.
- Foot Patrols include activities where officers get out of their cars and walk downtown, in and around businesses, through neighborhoods, as well as at the schools.
- Community/public Relations include community or special events that officers work or participate in; they also include instances where an officer stops in at a business and checks in with the owner/employees, or touches base with citizens while conducting patrols in and around neighborhoods to talk, share information, or provide crime prevention tips.
- Medical/Fire Tally is the total of all EMS and Fire runs dispatched out of the Milan PD Dispatch Center each day. Since this is a Fire Authority and serves areas outside the city limits, the tally serves to reinforce the totality of Fire and EMS runs dispatched both inside and outside the city.
- Family Troubles/Domestics are incidents where the PD is called involving any number of disputes between spouses, ex-spouses, boyfriend/girlfriends, ex-boyfriends/girlfriends, custody disputes, as well as property disputes. In these cases, police investigation may not result in formal enforcement action, nonetheless the police are called upon to intervene, insure safety, keep the peace, and attempt to assist in providing solutions.
- Peace Keeping/Civil Matters/Miscellaneous Disputes are incidents that involve some sort of conflict that does not rise to the level of a crime, however the police are called to try and mitigate and/or resolve the issues, assist the disputants solve the underlying problems, stand by while property is removed, resolve neighbor problems, stand by during custody exchanges, or simply keep the peace between individuals that are arguing with one another.
- Background Checks are done for citizens requiring pre-employment fingerprints for criminal history checks, or they involve candidates for law enforcement positions undergoing background checks where the potential hiring agency is asking Milan PD to conduct records queries for contacts and/or police reports.
- Fingerprints are required when a subject who is wanted on an outstanding warrant appears in court; the court directs them to the PD for fingerprinting.
- Threats/Harassment Complaints include verbal threats, harassing/threatening text messages, and threatening/harassing telephone calls.

- Noise Complaints include any number or ordinance violations such as loud music, loud parties, construction noises, loud engines/exhausts, disturbing the peace, etc.
- Liquor Inspections are required by the State Liquor Control Commission. They involve inspecting establishments that sell alcohol to insure minors are not being served; individuals are not being over-served; licensing guidelines are being followed; and there are no disturbances, disorderly conduct or other illegal activities taking place.
- Traffic Arrests are arrests for drunk driving and license violations, such as Driving on a Suspended License, Driving Without a License in Possession; Operators License never Acquired.
- Emotional/Psychological Incidents are incidents where a subject is in emotional/psychological distress and as a result are a threat to harm themselves or someone else, and therefore require hospitalization for medical/psychological treatment/evaluation.
