

The holidays are a special time for all of our Waste Management employees. Our entire team will be taking off the following day to spend time with their families:

Thanksgiving - Thursday, November 23, 2017

There will be no service on Thursday, November 23. We may reroute our trucks where necessary to ensure all of our customers are serviced that week, up to and including Saturday. Have a safe holiday!

Remaining 2017 Holiday Schedule

- Christmas Day (office closed)
- New Year's Day 2018 (office closed)
