DETERMINING YOUR RECYCLE WEEK & DAY

Use the map and schedule for each year to determine your recycle week as follows:

Streets split by service weeks will be collected on the week indicated (green side one week and gold side the following week). First determine if your residence is located in the green or gold section of the map. The color of the map where your residence is located corresponds to the color on the annual schedule and indicates your recycle week and day for each month and year. Place your recycle cart at the curb on the designated day on the schedule.

Waste Management will provide you with a new recycle schedule for dates beyond December 2019.

PLACE YOUR RECYCLE CART AT THE CURB ON THE SAME DAY AS YOUR TRASH EVERY OTHER WEEK ACCORDING TO THE SCHEDULE.

*This map applies to recycling collection only and does NOT change your weekly trash or yard waste pickup days.
